

Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Wednesday 01 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Mainly bright and sunny, cloudier in the north.

Today:

Any cloud in the north and east gradually breaking up by the afternoon, but some may linger across the far north of Caithness and Lewis. Otherwise dry with some sunshine. Maximum temperature 20 deg C (68 deg F).

Tonight:

A dry and bright evening for most except the far north, cloud will spread south and west overnight with some mist and fog. Minimum temperature 8 deg C (46 deg F).

Thursday:

Similar conditions with the west seeing a lot of bright and sunny weather but the north clinging on to the cloud for much of the day in the light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Friday to Sunday:

Friday and Saturday are expected to be dry and bright but cloudy at times in the north, becoming windier later on Saturday. Breezy on Sunday and quite cloudy.
